SCANNING SERVICES

We provide the highest quality digital scans of your files, organized for easy access and retrieval.

PICKUP & DELIVERY

We come to you! We organize and box your files and take them to our secure facility for scanning, returning and re-filing as they were upon completion.

SCANNING

Scanning is performed by our trained scanning and QC operators and organized into a logical and intuitive file structure for easy retrieval.

QUALITY CONTROL

Each document is quality controlled, image against original document to ensure a clear and accurate scan.

PREDICTIBLE PRICING

We offer predictable unit pricing, an alternative to other pricing options such as per image, ensuring your budget is met and there are no surprises.

REQUESTS

We understand you need access to your files while in scanning. Our team is highly responsive. Simply email your file request and we will send it over.
